

AMERICAN SPECIALTY®

As a testimonial, American Specialty considers ESIX to represent the professional and personal characteristics that define the highest quality of our production partners. The ESIX team has a truly effective and rare combination of detailed technical expertise, consultative personal skills, and creativity. American Specialty places high value on ESIX's proven industry knowledge, long-term perspective, and full engagement and attention on the topics that are critical to their clients and partners.

The ESIX/American Specialty relationship is a long-term one, based upon years of trust, respect, and honest dealings. We value the many years which have already been invested in the relationship, and we look forward to the many future years to come.

With my best regards,

American Specialty Insurance & Risk Services, Inc.
