

This letter will serve as confirmation that ESIX 3 LLC d/b/a Entertainment and Sports Insurance eXperts (ESIX) is an appointed agency with our company for the placement of insurance for professional and amateur sports organizations (including National Governing Bodies and associations) and entertainment risks.

While ESIX has been a preferred agency with our company for many years, the relationship is not exclusive. As an independent insurance agency, ESIX has the ability to secure quotes from other available markets for the benefit of its clients.

Much like ESIX, K&K is committed to long term relationships with its broker and insured clients. Risk management is the cornerstone to a successful insurance relationship, and ESIX and K&K are committed to that very principle, working hand in hand for the betterment of our clients.

Very truly yours,

K&K Insurance Group, Inc.
